A baleful, yellow moon lights the piney woods with an eerie pattern of shadows and bright patches. You can hear hounds yelping in the distance. Then you can hear the galloping of horses pounding on the red, dirt road. They get closer. In the chill night air, you can hear grunts and hard breathing. Suddenly they are THERE—twenty horsemen—a terrible, fearful sight in their white robes, each with the two eye-holes staring, sightless and black toward the tumble-down nigger cabin.

The horses reign up tight; they stomp the ground,

’’Go get that raping black beast! M comes from under a mask.

Six of the horsemen dismount and charge into the cabin.

Inside, you can hear a spinechilling scream, “NG! Not ME! Don’t take me! I never done it! Please! NO!

The masked men silently, drag the screaming, terrified nigger out into the clearing. The other niggers in the cabin cringe, shivering, in the corners of the shack.

The masked men throw a rope over a tree and put the noose around the kneeling nigger’s neck.

Now the nigger is wailing unintelligibly, gurgling and moaning in terror.

Three of the men jerk on the other end of the rope and haul the nigger, swinging by the neck, into the air.

The screams and gurgles choke off into a sudden, shocking silence. The nigger swings violently for a few moments. Then he stops kicking and the swinging becomes gentle, slow,,,, and stops. It’s all over. The quiet is deep and the crickets begin to chirp again.

The hooded figures remount and pound off into the night, unknown.

The next day, they will be ordinary businessmen and merchants, farmers and even preachers.

And the niggers will be as timid and respectful to the White Men—and

White WOMEN—as mice,

That T s how it was—fifty or sixty years ago.

It costs the lives of a few niggers but it kept the PEACE and it kept niggers, NIGGERS.

Women were SAFE in the South.

The old methods had the Blacks afraid of the Whites—not like it is now in our "brotherhood"-plagued cities, where the Whites now live in daily terror of the Blacks,

The old methods have a famous name, whether we like to admit it or not, M TERRORISM" !

And they worked because it was TOTAL terrorism! Any nigger who stepped out of line got a pi'ompt and

INTERVIEW

with a U.S. STORMTROOPER

First Lieutenant John Patter, Editor of the Stom troop or magazine, interviews Stormtrooper Donald Baker who was converted to National Socialism in a Federal prison. Stormtrooper Baker now faces the future with hope and determination. His life of crime is the forgotten past. This is his story …

Patler; WHEN AND WHERE DID YOU FIRST HEAR OF THE AMERICAN NAZI PARTY?

Baker: Well … while I was serving time in St. Petersburg Federal Prison,

I met this well built, blond, blue-eyed guy who was a member of the Party. He told me all about it ,.. how Commander Rockwell was fighting to free America of niggers and Reds. That was it! We spent hours together and 1 learned more from that one Nazi than I did from anyone in my whole life. When 1 got through talking to this Nazi prisoner, I was never the same. This was what 1 had been looking for ail my life.

Patler: WHAT WERE .YOU SENT TO PRISON FOR?

Baker: I was serving time in the "joint 11 (prison) for interstate transportation of a stolen vehicle. I was serving 18 months and had about four months left to serve when 1 met Gary … the Nazi Party member who converted me.

Patler: WHAT HAPPENED TO YOU AFTER YOUR CONVERSION TO NATIONAL SOCIALISM?

Baker: Well … me and Gary formed a secret clique. We worked on other White prisoners and won most of them over. We made up secret codes to be able to speak to each other in front of other "eons 1 * (prisoners) and the "hacks" (guards) so that they never knew what we was talking about. Towards the end of my "tour" (sentence) we got so well organized that one

of our guys even printed a Nazi bulletin right in the prison print shop.

Patler: DID YOUR CONVERSION TO NATIONAL SOCIALISM HURT YOU IN PRISON?

Baker: Oh, yeah… I got sent to the "hole" (solitary confinement) more times after becoming a Nazi than during my whole tour in the joint. Once 1 was thrown in the hole just for talking with Gary ,., and lots of times for getting in fights with nigger cons.

Patler: CAN YOU GIVE OUR READERS SOME IDEA OF THE KIND OF LIFE YOU LED PRIOR TO BECOMING A NATIONAL

SOCIALIST?

Baker: Sure … I came from a large Montana family of five sisters and four brothers. From as long ago as I can remember, I was always getting into trouble, I didn T t like school or my teachers. They kept on feeding me ail this garbage about "equality" and "brotherhood".I ran away from home more times than I could remember. I started drinking and smoking at such an early age, I can't even recall when 1 started. I seemed to just drift along with no real future in sight.

I couldn't stand the big cities because that's where most of the niggers could be found, I just had no real purpose in life, I knew there was lots of things wrong in the country and that things were getting worse,,, especially the nigger situation—but, I didn't care much about it because I was too busy trying to keep alive in the rat race,

Patler: HOW DID YOU DO THAT?

Baker: It was simple. One of my best tricks was that when I hit a new town, I would find me a stray dog and tie him with a rope. Then I would call up a big drug store with a delivery service. Fd tell them to send over some cough medicine or something like that and to bring change for a twenty. When the delivery boy got to the address I gave to the druggist, I'd be out in front of the apartment building with the dog. Fd stop the delivery boy and ask him if he was the one from the drug

store. He r d say yes, and then Fd tell him that I left my wallet upstairs and would he hold “my dog” while 3 go get my wallet … Fd take the change for the twenty, hand him the rope with the dog at the other end and tell him Fd be right down. I then would go into the apartment building and out the back way as fast as I could go. 1 done that so many times, Fve forgotten how many delivery boys 3 left holding the dog. I often wonder … looking back, how long those delivery boys waited before they realized what had happened to them.

Soon, 1 drifted into the carnival business. At this time I started “popping bennies” (taking dope pills, sniffing glue, etc,). In the carny business, I caught on quick ,.. and it wasn’t long before I was making a steady “score” (cheating and gypping) on all the “marks” (customers, suckers). I was so good at this game, that I ended up with my own stand and was going strong. Life didn’t have any purpose for me, so I just went from bad to worse, stealing, cheating and drinking, leading a no-good, useless life. Finally, to mane a long story short, a little before my 22nd birthday, I got “busted” (arrested) and ended up in the federal joint .., and Fm glad it happened,

Patler: WHY?

Baker: Because it took me out of the rotten life I was leading and into a prison where I was able to meet an American Nazi which changed

my whole life* It was like I was lost in a dark and filthy jungle * * then all of a sudden, there was this ray of light , it led me out of the darkness and gave me a real purpose in life. It was something clean and good ., * something honest and true that 1 could believe in and work for* Nothing like it ever happened to me before*

Patler; WHAT HAPPENED AFTER YOU FINISHED SERVING YOUR SENTENCE?

Baker: I got out at 8 a*m* on a hot Friday morning in July. Four hours and twenty minutes later I was knocking at the door of American Nazi Party headquarters in Arlington. I was a little nervous when the duty officer, wearing a loaded .38 revolver answered the door* I was treated with courtesy * *, even after I filled out my application and was interviewed by a board of three Party officers and they found out about my record. My past made no difference. The Party interview board told me that what I did in my past . *. as bad as it was * * * was the past! I was made a probationary stormtrooper and issued a uniform* They told me that I would be given a chance to show what I was made of. Nobody ever gave me a chance before to prove myself_ The Party gave me a new purpose in life.

Patler: CAN YOU DESCRIBE WHAT THE PARTY HAS GIVEN YOU, IN' THE WAY OF A NEW PURPOSE IN LIFE?

Baker: Uh . *, most of all * *. it helpfd me to find myself* It gave me something to live for ,. * a future, I T m not selfish anymore like I used to be. It made me realize that the life I was leading would only cause me to end up in a garbage dump … a no-good nothing* I was ruining myself and hurting others by breaking the law, I was no good to myself or to anything, 1 want to make it possible for millions of other guys who never got a break, never to go through the kind of life I had to go through. Since I joined up, Tve taken the nondrinking oath* I used to drink heavy, hanging around barrooms * *. but now, I don't touch a drop of that poison any more.

Patler: WHAT HAS IMPRESSED YOU MOST ABOUT AMERICAN NAZI PARTY HEADQUARTERS?

Baker: The dedication. The way everybody works so hard .., without pay!

I never did anything without getting paid for it until I got here. Here at headquartex'S, I f m ready to work and fight, serve

any kind of jail time and get busted up (beaten up) for Commander Rockwell!

Patler: WHAT DO YOU THINK OF COMMANDER ROCKWELL?

Baker: The Commander is what I call a real leader of men. I respect him more than anyone else in the world. He wouldn't ask a man to do anything he wouldn't do first himself, and that's enough for me. I wish I had known about the Commander a long time ago. Maybe I wouldn't have gotten into so much trouble. But, in a way—I'm glad everything turned out the way it did. I was like hundi^eds of other guys 1 know who never cared about our people. Nothing is more important than fighting to save our White brothers and sisters all over the world, I thank God that I was able to find the American Nazi Party and a new purpose in life worth fighting for*

8 NAZIS ARRESTED FIGHTING OFF MOB

UNIFORMED STORM TROOPERS of the American Nazi ParLy battle police and Boardwalk strollers outside Atlantic City Convention Hall. One Nazi was injured in the brief demonstration.

ABOVE: U.S, Storm troopers sit In Atlantic City Jail house - waiting to appear before the Municipal Court Judge* All nine Stormtroopers went on a three day hunger strike until their release.

When a squad of American Nazis landed at the Democratic National Convention to demonstrate against Lyndon Johnson, everyone, including the police, were caught by surprise. Employing what newsmen termed a “Trojan Horse ruse”, the Stormtroopers, under the command of Lt* Harry Blair, rode into Atlantic City, N* J., in a rented panel truck* They passed right through police check points set up in advance to spot and nab the Nazis who were expected.

Arriving as close as a half block from the boardwalk, the sharply uniformed Stormtroopers burst out the back door of the truck and doubletimed past surprised bystanders to their objective, the entrance to Convention Hall,

When they got to the entrance and began demonstrating, a huge mob of Jews descended on the men, screaming insults

and waving fists. The mob, which outnumbered the Nazis 50 to 1, soon got up their courage to attack. Sam Reiter, a Pittsburgh Jew, hit one of our men and the fight was on.

As the fracas began to develop into a full-scale riot, New Jersey State Police charged into the crowd and arrested all eight Nazis , *, but none of the attackers! i

The controlled newspapers rejoiced over a story that an "exmarine" had broken up the Nazi demonstration, Sam Reiter, a pudgy Jew, who admitted attacking our men and thus provoking the whole incident, was not arrested. The newspapers played up the story that Reiter's as

sault was a feat of "heroism 1 ' and thereby glorified and condoned his crime. The editor of the Stormtrooper magazine, who was on the spot, personally heard Reiter give one reporter the story that he was an "ex-marine", and moments later hear him tell yet another reporter that he was in the submarine service! !! This, then, was the big "war hero" who "stopped" the Nazis.

Too bad the reporters never interviewed William Ignatius Terry. He was the Stormtrooper Sam Reiter assaulted. Terry carries a bullet in his right shoulder from World War H. While storming ashore at St. Lo during the D-Day Normandy Invasion, the then PFC Terry was hit by a

German sniper. The bullet entered his chest, glanced off a rib and sunk into his shoulder where it remains till this day. Terry r ec eived the Purple Heart, among a half dozen other ribbons and he came back from WWII completely blinded in his right eye. In the Atlantic City riot, Terry required eight stitches above and below his left eye when another Jew attacker struck him in the face with a broken beer bottle.

Of course, even if the papers knew this story, they wouldn't print it. They'd much rather lie and glorify a self-styled "ex-marine" Jew sneak who should have been locked up for assault, and not the American Nazis who were merely practicing their constitutional right of Freedom of Speech.

After six years, the enemy finally got up enough courage to picket American Nazi Party Headquarters in Arlington. Three b e a t n i k girls, two of them in tights, marched up and down in front of the headquarters building while their boy friends hid around the corner.

Two of the girls were typical Jewish peace creeps. They took great offense to being recognized as Jews by our stormtroopers. Some Jews still believe they are only a religion and not a race. Apparently, they grow those noses and get to look the way they do merely by attending synagogues.

The signs carried by the girls were ridiculous. One sign read: “Would you want your sister to mlaxry a Nazi?” and the other two read: “Smash the ovens before they are lit” and “We are all brothers under the skin”. They picketed for about an hour, and upon finding that they were attracting no attention or sympathy, they rolled up their disgusting signs and slunk away. Ugh!

They had arrived in buses made available to the public by the Goldwaterites for all who wanted a free

When Barry arrived, he took his place at the podium and before he could get two words out of his mouth, he was drowned out by Stormtroopers who began shouting “We Want Rockwell ! ft over and over. Meanwhile, twenty yards away, a dozen uni

American Nazi Tries to Throttle House Witness

WASHINGTON,

A wild melee erupted fit a Congressional hearing yesterday when & member ol the American Nasi party leaped out of the audience, jumped on a table and tried to throttle a witness who allegedly helped some U. S. students visit Cuba.

It took more than eight men to subdue the attacker and carry him head first out of the room.

The eruption occurred at a session of the House Committee on Un-American Activities, which had reopened a year-old Inquiry Into illegal travel by Americans to Communist Cuba.

The witness was Morton Slater, 21. of 106 Ave. E. New York. His attacker was identt fled as Lon Dunaway. 28. ol suburban Arlington. Va., where George Lincoln Rockwell's small American Nasi party has Its headquarter?,

Dunaway was arrested in Atlantic City. N. J.. last week, in connection with a disturbance outside the Democratic National Convent lon.

For yesterday's scuffle he was charged with simple assault and disorderly conduct. Bond was set at $525,

Slater was seen by the Capitol physician. George W. Calver who said he would not give out any Information regarding any injuries Sister might have received- He said such information would have to be made public through tt» committee,

A Hying chair struck the leg of reporter Robert K, Walsh of The Washington Evening Star. He was treated for cuts and bruises.

The incident came after Slater, who allegedly helped the students go to Cuba in violation of the travel ban. had denounced the House Investigation as a "farce ,H serving no proper legislative purpose.

The melee came in the face of the most stringent security precautions Capitol polite could devise. The committee, forewarned by riotous student trouble at a similar hearing last September, had ringed the hearing room with police, inside and out, In addition. U. 6. marshals in plain clothes were spotted throughout the audience.

But Dunaway's attack caught the entire security force by surprise. He walked quietly up the center aisle from his seat near the back, then approached Slater from the rear with a rush.

In a powerful spring, he leaped almost directly over Slater and landed on his feet on the table. As an official atenographer sprang aside. Slater sought to dodge the attack.

Dunaway retained his balance. turned and lunged at Slater. Someone screamed "Get him!" and the melee was on.

Police eaid afterward they

Last August, the government ordered Franz Pfeiffer and his Chilian Nazi Party to disband. Comrade Pfeiffer complied and

then immediately reorganized and renamed his organization, which is now known as the CHILEAN NATIONAL SOCIALIST WORKERS' PARTY (Partido Nacional-Sociali$ta Obrero).

I send you all my best greetings, most of ail the Commander.

I was expecting to get a year, so I was surprised I only got six months * The workhouse is not too bad and I T m treated pretty good,

I T m only sorry about one thing,,, I didn't knock that Jew out cold.

I want to thank you for the letters and the clippings. I like the part where it tells of him going to the hospital; it makes me feel good.

Eyes Opened!

Dear Sir:

I recently returned to Indianapolis after having spent a year at the University of Illinois, The year was beneficial In many ways* but particularly so because the student population is about 25% Jewish, Brother, did I ever get an education on that score—! was exposed to many kikes and even managed to get one as a roommate during my second semester there. I did this intentionally in an attempt to get a real insight to the Jewish personality. My reaction may be summed up thusly: SIEG HEIL] SIEG HEIL1 SIEG HEIL! A thousand times SIEG HEIL!!

My most gratifying experience there came the day I discovered in the li

brary card index that your autobiography* This Time the World* was on file. I immediately requested it* but had to wait an entire month for it, I'm sure you'll be pleased to know that according to the dates stamped in the front of the book it has been in almost constant use since the library received it last fall. When I finally got it, it was the last week of school and I had to read it rather hurriedly rather than savoring every inspiring paragraph as I would like to have done. Because of its contemporary nature and because it provides every patriotic American with a hope for the future I found it to be even more meaningful to me than Mein Kampf, I am even more dedicated now to the day when This Time the World will be in every American home,

Editor’s Corner

LET S PULL TOGETHER!

There is a very important saying we should ail remember; M He who has no knowledge of medicine, should not call himself a doctor* L In our movement, we find many well-meaning comrades who spend an enormous amount of time, money and energy trying to publish a magazine, newspaper or other such enterprise WITHOUT the experience, knowledge and means to do a professional and successful job. Most of these enterprises are “pet projects” which are hardly ever completed, or only last for a short period and are unprofessional. Instead of wasting all the money, time and effort on such short-lived and unprofessional enterprises, think how much better it would be if well-meaning Party people would devote all that time, money and energy into circulating and pushing the STORM TROOPER MAGAZINE and the ROCKWELL REPORT which have NO equal in the right wing. Even a little ad, for example, in your local paper advertising the STORMTROQPER would help.

Here at National Headquarters we have the staff, the professionalism and the means to produce a real magazine as we have demonstrated. Think how much further the STORMTROQPER MAGAZINE can go and how much its size could increase if all Party comrades made the circulation of the STORM TROOPER their “pet project”.

You can spread our peoples 1 message through the gTQRMTROQFER. Write for details. We now have handsome identification cards and instruction kits for those who want to be representatives of the STORMTROOPER MAGAZINE. As a representative of the STORMTROQPER, it will be your duty to get it circulating in your area and to act as a reporter and agent of the magazine. Don’t waste anymore fuel on toy-cars ,., put it into a REAL vehicle and let’s roar forward as a team.

Police arrested the Jew couple and booked them for assault. The Jew attackers were then released on a mere $ 276 bail ! ! !! (Only last year, Nazi pickets, Leonard Holstein and Lyle McLaughlin (serving 10 years) were held in over $ 5, 000 bail for defending themselves from Jew attackers during a picket at a Zionist rally!)

Ken Taylor was rushed to Hollywood Receiving Hospital in critical condition with multiple fractures and lacerations. Taylor hovered NEAR DEATH from internal hemmoraging for 36 hours!! Ken Taylor's bravery and determination is the kind of spirit that will rescue our perishing nation. Neo-Nazi Sentenced To Die At Sing-Sing

SPECIAL TO THE TRIBUNE
By J. I. Scariot

Brooklyn, N.Y., (AP0): A wild young man burst into a Jewish synagogue here today and spread chaos and ruin during the services. Waving a bullwhip, 30-year-old Jessie Chisholm of Bethlehem, Pennsylvania, rushed through the great bronze door of Temple Beth El shouting, "You Jews are murderers and liars and sons of the Devil himself!"

Turning over pews and tables as he charged toward the Rabbi, Chisholm lashed out at the persons of the Jewish faith with his whip, severely lacerating Morris Goldfarb and Rebecca Cohen, both of Brooklyn.

Upon reaching the front of the synagogue, Chisholm turned over the tables used for tithing and lashed out repeatedly at the Rabbi, cutting him across the face with blow after blow from the bullwhip.

"You are traitors!" shouted the angry young man, as he smashed up furniture and drove the Jews with his whip. "You have betrayed all the good which has been given you! You are a gang of blood-sucking money changers who have sold your souls to the Devil for gold! Out with you all!"

Although Chisholm was all alone, his wild attack succeeded in driving all the Jews into the street.

Police rushed to the scene and dragged Chisholm before Magistrate Pilattii at Brooklyn Night Court.

Judge Pilattii offered to postpone the trial to give Chisholm time to prepare his defense, but the persons of the Jewish faith who jammed the courtroom were shouting "Kill him! Kill him!" and the judge held the trial on the spot.

Chisholm made a few vain attempts to get witnesses in his behalf, but they all turned him down. A man named Robert Welch, who was asked to be a witness for Jessie Chisholm, issued a strong press-statement denouncing Chisholm and his anti-semitic hoodlums. "Many of my very best friends are of the Jewish faith," said Welch, "and Jews are the greatest, noblest patriots in the world! That fellow Chisholm is actually a Communist, ---a dirty NEUTRALIZER!" Welch began to rave, thinking about Chisholm, and commenced to mutter that Chisholm was working for Moscow to ruin the John Birch Society.

Chisholm also tried to get a Reverend Hargis to be a witness for him, but Hargis protested that he was a Christian, and would have no part of anti-semitic hate and bigotry.

Since Chisholm could make no defense and the Jews kept shouting, "Kill him! Kill him!", Judge Pilattii sentenced Chisholm to be executed at Sing Sing Penitentiary. As he was led away in chains, the persons of the Jewish faith spat on him and cursed him. A large crowd of Gentiles stood around on the scene, but all of them were smiling at the Jewish persons and crying, "We're not anti-semitic! We love Jews!"

The persons of the Jewish faith then took up a collection among the Gentiles, to fix their synagogue.

Twenty-five thousand, two hundred and ninety-seven dollars was cheerfully given by the Gentiles to repair the Jewish temple.

As Chisholm passed through the Gentile crowd he begged for water. A sweet little old lady struck him on the head with a Bible, shouting, "You dirty anti-semites will get nothing at all from me but disgust! Shame!"

The Jews cheered.

A biographical sketch of the Deputy Commander of the American Nazi Party

Alan Welch, stationed at National In 1961 CoL Welch picked up a

Headquarters serves as the Deputy Commander of the Party and holds the rank of Lieutenant Colonel in the Stormtrooper Section, Lt. CoL Welch 1 s dedication and extensive knowledge of management has placed the Party on a sound business base,

Lt.Col. Welch was born in Longview, Texas, on February 21, 1935. His folks had gone to Longview seeking their fortune in the oil boom and later moved to Houston where CoL Welch grew up. After graduating from Milby High School as the second highest in his class, CoL Welch entered the University of Houston where he studied Chemical Engineering and Mathematics. He graduated in June of 1958 earning a Bachelor of Science Degree in Mathematics. From the University of Houston, CoL Welch entered Massey Business College to study Data Processing.

CoL Welch 1 s first involvement in politics began as a Taft Republican supporter. Later he became a Dixiecrat supporter and then a worker for the Constitution Party.

copy of Police Gazette which featured a picture of Commander Rockwell on the cover and wrote to the address given in the article. Shortly, he received a batch of Party literature including the Rockwell Report and the Stormtrooper magazine. After corresponding with the Party for about a year, CoL Welch f i nally met the Commander who was passing through Houston on a speaking tour. Commander Rockwell spoke to CoL Welch and persuaded him to com e to Arlington to fight. In spite of a iucractive future and a promising career, CoL Welch decided to quit his job as the manager of a Data Process ing Installation and throw his lot into the fight to save America and the White people that built this nation.

Col. Welch is 6 1 V\ weighs 160 and has blond hair and blue eyes, wasintheAir Force Reserve for 3-1/2 years.

KNOW YOUR OFFICERS will appear regularly as a special feature in the Stormtrooper magazine to acquaint our readers with the American Nazi Party^s officers.

TERRORISM Continued from R 3

massive dose of the terror. It saved the White, Christian people of the South from NIGGER terror. Without WHITE terror, there would have been NIGGER TERROR. If that sounds exaggerated, look at the cities in the North—and the Nation's Capital—to see what happens when niggers get the upper hand. There are now large areas of every city in the North which are "enemy territory" for Whites—precisely the opposite of cities in the South a few years ago, which were "enemy territory" for the Blacks, When the sun set in the old South, the coons headed for the hills in horror. Now, in big cities, when the sun sets the WHITES head for the hills in horror.

Our Women Raped!

1 see our women folks raped, robbed and terrorized by the hundreds every night all over America. I see a savage race of Black animals TERRORIZING MY PEOPLE, while almost

every last one of our cowardly, demagogic POLITICIANS kisses black fannies for Black votes.

Under these circumstances, I am not afraid or ashamed to say that, if the old methods would WORK, today, I would be the first man to grab a rifle, a rope and head for nigger town. Only the White, human male has become so befuddled with Jew "theology" and liberalism that he fears to KILL HIS MORTAL ENEMIES, to protect his people and his females. (I can't really blame a female who gets disgusted with "men" who will let their womenfolks run with niggers,)

Sooner or later we ARE going to have to kill our mortal enemies, as Americans have done with honor in wars for two centuries. When law and order break down completely, as they did in Germany forty years ago under the Jew' "Weimar Republic", and as they soon will in America with the niggers, Jews and Reds running riot with everybody afraid to stop

them—we are going to wind up FIGHTING THEM and KILLING THEM! I predict almost open WARFARE with the rampaging niggers next summer, and every summer will get worse until about 1969 or 1970, when it will become bloody, Red REVOLUTION!!

It is these bloody times for which we are preparing, arming and training a corps of "officers" to lead the Whites in defense, and eventual attack (when it will be legal in selfdefense), When the enemy no longer keeps up the pretense of "law and order" (which now means punishment for riot for Whites only, with niggers free to riot and loot as they damned please), when it is every man for himself, and every cop in America has had all he can stand of "taking it" from arrogant, criminal, Communist niggers, then our methods can change to the "old", tried and true ways, and we will not fail! We do not seek these Continued on next page.,,

conditions; we didn’t MAKE them; and we would like to see them headed off. We even went so far as to try to encourage the Black Muslims in their Back-to-Africa scheme, in hopes this would solve the looming bloodshed. But now the Muslims —and Malcolm — have joined the worldwide, Red Chinese-led, swarms of dark men in Asia, Africa and India for DOMINATION OF THE EARTH BY NIGGERS AND DARK MEN] Their worldwide, Communist-nigger assault on White, Western, Christian civilization can be s topped only by killing our blood-thirsty Black attackers.

BUT!

There’s a big “BUT” in there.

Let’s FACE it!

Right now, America is full of racial fat-heads—White men and women who imagine they just love niggers. Too few people in the South realize the unbelievable ignorance about niggers in the rest of the country! These White ninnies, who know almost NOTHING of “niggers” and base their “judgment” on a few, highly-trained, college coons, singers, dancers, comedians, etc.

—and have never seen a herd of murdering Black savages as they really are-these White fatheads are still numerous enough to hang us if we try to save ourselves (and them) - - NOW I They are now able to find juries to indict and even convict White defenders of the White Race even in the South in some cases.

Fake “Law and Order”

Even more important, as long as the enemy is in the fake “law and order” stage of his revolution, whenever we resort to terror which does not really WORK, and only GOADS the enemy, we merely play into his filthy hands and give him the heart

breaking newsphotos of bleeding, beaten coons to put on the covers of his Jew magazines and newspapers. Right now, the Jew and nigger aim is to occupy Mississippi with Federal Troops, To do that, they are provoking Mississippi beyond endurance* When good and brave men risk their lives trying to resist this filthy, Jew provocation, without being able to back it up all the way—it is like an unarmed man punching a tiger in the nose l

White Guerrilla Band

Until we wake up the rest of America to the Jew and nigger terror now going on, we must be a political GUERRILLA band. We are tiny and they are huge. We should remember what happened in a direct confrontation between nigger-wise and niggerblind Americans just one century ago. It won’t work, yet. Until ALL Americans understand the deadly situation, partial terror is just what the enemy wants—so he can play the ‘“good guy”, for law and order, while we are the violent, murderous “villains”.

We Fight Legally

Our only hope, at this stage is to use JIU-JITSU principles* They are enormous, well-heeled and fantastically powerful* We are lied about, misunderstood, poor and isolated

from the rest of our sleeping people. The best we can do now is to use LEGAL guerrilla tactics—which means striking with our strongest “weapons” against their weakest point, dividing

them, harassing them, confusing them and irritating them as they try to do to us, without them ever being able to “get us”!

The American Nazi Party does precisely THAT.

A single hornet, if he were smart enough, could destroy a whole buffalo herd, by v i c i o u s 1 y stinging the lead buffalo on the sensitive part of his nose, and then striking brilliantly to stampede the whole herd over a cliff. And buffaloes can T t fight hornets.

The American Nazi Party, with its “awful” Swastika and name, is the “HORNET m of the rightwing* We have proved the fantastic power of our sting” again and again. And Jews can’t “fight” “Nazis”.

This is the sixth successful year of constant attacks on the gigantic forces of the enemy. We have demoralized the enemy and lighted tiny fires of hope in millions of White, Christian American hearts* Only a few more years and these tiny fires we have lit will be a raging furnace which will burn to ashes the racemixing traitors and Black terrorists.
